**APPLICATION FOR ESTABLISHMENT OF GROUP ACCOUNT**

In order to handle department accounts in a more practical manner, the Board of directors has provided for group memberships, which may be established as follows:

Two active members with proper authority and approval may propose the establishment of an account at The Faculty Club in the name of a department or University group. These sponsors will be responsible for the use of the account name on chits, and for the payment of the account, if it is not settled on the day of the event. The department name, or a designation agreed upon between the members sponsoring the account and The Cub, will appear on all chits that are charged to the account, along with the assigned account number.

The charges for the handling of such an account have been established by the Board of Directors as follows:

1. A one-time, non-refundable set-up charge of \$200.00
2. An annual, non-refundable membership fee of \$300.00, to be assessed each July until the account is cancelled by written request.
3. Group account use should be restricted to departmental activities.
