Art Show for April: Amy Zheng

With a M.S. degree in Accounting and having briefly worked for an accounting firm, I currently stay at home to take care of my two little children. I started to seriously pick up painting and drawing in 2017. However, painting and drawing have always been my passion and in my heart since I was three years old. My inspiration comes from the Mother Nature, my kids, and my love to life. I hope to make my works attractive a diverse audience through my dedication to art, immersion to multiple cultures, rich experience of life, as well as my deep sentimentality toward what I love and care.

My husband is a professor at UC Berkeley, and we appreciate this opportunity to share my artwork with the Cal community.

If you are interested in my works, or if you wish to have me paint for you a customized painting, please free to email me at fzheng@gmail.com. You are also welcome to visit my website: amyzheng.net.
