## Message from the Manager

Dear Members –

February returns us to our busy campus schedules. Come into the Club for a relaxing meal or a quiet place to get some work done. Remember we can help you host both private and professional events such as small private luncheons, conferences, meetings, weddings and receptions.

We have many entertaining events coming up so be sure to mark your calendar. Please let me know if there are any events that you would like to see at the Club and I will work with you to plan them.

I am always available to assist you with any of the Club related business.

Best Wishes,  
Felix Solomon, General Manager

## Art Show for January – Sally Mack

Sally has been a photographer since she first picked up a 35mm film camera for a photojournalism class at Idaho State University in the 1970s. I got the worst grade of my college career in that class. Switching from 35mm to medium-format about 10 years ago changed my life. The Hasselblad allows me to take the pictures I see.

I've been actively exhibiting for over 10 years. The *Best of the Wetlands* exhibit are pictures that span over a decade. Wetlands, she discovered, are infinitely varied: reflections, water, clouds, scum, logs and sticks, and pickleweed, which changes color throughout the season.

## A Evening with Tom Bopp

No need to drive for hours and pay a big price when you can join your friends here! A great evening of music and friendship with a fine dinner! **Total cost per person is \$45. Make your reservations online or at 543-0834.**
