## Message from the Manager

Dear Members –

It's the start of the school year and the Club is busy again. It is nice to see everyone back at the Club even in the midst of the heavy rains. We are in the midst of some repairs and leaks as well. We are continuing to have success with our members events and I hope you continue to look at the schedule and attend these events. We also have many dinner specials in the Kerr dining room as well and I hope you take advantage of some of these specials.

We are always looking for new events and idea and if you would like to see a event at the Club please feel free to contact me and I will be glad to work with you. As always I look forward to seeing you at the Club. Sincerely,

Felix Solomon, General Manager

## Art Show for February Allan Jensen & Gary Kuroki

Gary Kuroki has had many local photo exhibits as well as shows at numerous galleries throughout the US and international competitions. Recently five of his photos were selected for the 4<sup>th</sup> Biennial of Fine Art and Documentary Photography at the Palazzo Italia, Berlin, last October.

Club member Allan Jensen has had two previous exhibits here at the Club. His first was a mix of his nature and wildlife photos combined with examples of his poetry which complemented each other.

Gary and Allan are now working on a collaboration which will match Gary's photo images with Allan's poetry. Allan notes, "Our first effort happened by way of a serendipitous chance meeting we had at an art show I visited where Gary was exhibiting. He had featured his photo *Sand Tracks* which immediately reverberated in my head as being the exact visual image of my recently written poem, *Footprints in the Sand* which I have shared at numerous readings and venues. Gary agreed.

So this 'collaboration' effort expands the typical one-person show to include how multiple artists can also combine their efforts for a single exhibit.

We would hope to encourage other artists (including Club member artists) to consider the unique value of joining with other artists in what might ordinarily be disparate art forms, in one combined exhibit. Enjoy!
