

Faculty Club Newsletter

Message from the Manager

Dear Members,

Hope you all had a nice Holiday Season and New Year celebration with your families. We stayed busy at the Club with a few events and maintenance projects such as replacing the carpets in the Kerr dining room and some of the meeting rooms, along with some much needed repairs of doors. I am looking forward to seeing you all in 2019. We did send out the annual calendar in the December newsletter and it is also posted on the Club's website so be sure to mark your calendars.

I am always looking for new events ideas, so if you like to see any particular event, please email me and I will be glad to work with you. All the staff is also looking forward to serving you in 2019 and making the Club a enjoyable place for you and your guests.

Sincerely,

Felix Solomon, General Manager

Faculty Club

Art Show for January: Sally Mack

Photographer Sally Mack's new Bayshore Birds series consists of some of her favorite photos of local birds taken over the last year. She photographed the waterbirds and raptors in the exhibit either at White Slough, a wetlands site in Vallejo CA, or on nearby Mare Island. Adhering to a bird-watcher's suggestion to sit down and shut up, she spent hundreds of hours watching birds, resulting in thousands of photos of over 30 species. These photos show wild birds in motion or at rest in their natural settings.
