Professor Saez's work, done with Thomas Piketty, includes tracking the incomes of the poor, middle class and rich around the world. Their work shows that top earners in the United States have taken an increasingly larger share of overall income over the last three decades, with almost as much inequality as before the Great Depression.

**Taco Tuesday 4:30 p.m. – 7:30 p.m.**

Taco Tuesday features a fresh taco bar, with tacos made to order. Our kitchen does this really well! Every week, you'll find an assortment of delicious meat dishes, fresh-made salsas and guacamole, with sides of beans, Mexican rice and more!

**All of this for only \$3.50 per taco. In addition to Beer Specials on Taco Tuesday, Margaritas are priced at only \$5.00 each.**

## The Kerr Dining Room

Normal hours and service continue through the summer for breakfast and lunch. Except for our Prime Rib Dinner special, the Kerr Dining Room will be closed for dinner during the month of June. We will, however, offer a limited dinner menu in the Bar, Monday through Friday. We're also bringing back our popular summer-time specials, Taco Tuesday and Tapas Thursday, beginning June 7.

## Art Show for June Allan Jensen

Allan Jensen has been a member of the Faculty Club since the late 1970's as well as a member of the Faculty Club Monks Chorus since 1987. His art transcends singing and this exhibit focuses on Mr. Jensen's avocation as a photographer.

Mr. Jensen's photographs include samples of nature and wildlife images currently featured on a permanent album at the Baytrail.org Facebook pages entitled "Wildlife on the Richmond Bay Trail". This is his second exhibit at the faculty club and features a series of unique photos of the rare and endangered/protected California Clapper Rail

His beautiful and unique avian, flora, and landscape photos, now include spectacular sunrise and sunset images, all of which have been featured in local and regional publications for many years.

His many photos of birds "wading" with mirrored in water reflections caused a colleague to name them "your Narcissus collection." Another fan gave me the best compliment I could have expected", she asked, "these are beautiful, but, how do you get the birds to pose like that!" I had to bite my tongue to not chuckle, and replied, "With lots of patience,, thank you":-).

Please enjoy this month's exhibit by Allan Jensen. Comments or inquiry can be sent to his business address, Seamless Web, 1201 Melville Square, Suite 411, Richmond, CA, 94804 or call at 510-235-6246 and leave a message. Numbered and signed and matted photo prints (without frames) are available at the exhibit price of \$30.00, 20x30 enlarged and framed images begin at \$350.00. All work will be signed and dated with data notes on the reverse side.
