Message from the Manager

Dear Members –

It looks like the summer went by quickly, and it's great to see everyone back on the campus and at the Club. I like to start by introducing you to our new progressively designed website. It has lots of good information and the site adjusts to your iphones, tablets and laptops. I hope you enjoy the new site. You will now be able to make your lunch and dinner reservations online.

We have been busy at the club over the summer with some student programs, weddings and upgrades. We have new box springs and mattresses in all the hotel rooms and carpets in many areas as well. We are planning many fall events along with new menus in the Kerr dining room for lunch and dinner, so I hope you will take advantage of these great meals. We also have lectures and events schedule so please visit the website and come attend these events.

As always I look forward to seeing you at the Club. Please feel free to contact me if I can assist you in anyway with Club related business or any events that you may like to introduce to the Club.

Warm Regards,

Felix Solomon, General Manager
