## Message from the Manager

Dear Members –

Welcome back to the Club and the Campus. Hope you all had a nice summer break. The Club was busy over the summer with meetings, weddings, and events, along with our Taco and Tapas specials. It was good to see so many of you enjoying the Clubhouse.

We are ready for the Fall season and have many events and specials planned for you, so keep checking our website and newsletter and plan to attend some of these events. We are beginning the school year with the Cal football events, followed by the Wine Tasting on the Glade. We also have new promotions in the Kerr dining room such as the Italian Dinner Special, along with our Steak & Paella, and Prime Rib specials.

As always, please feel free to contact me if I can assist you with any Club related business. I also like to hear any ideas for new events as well. I look forward to seeing you at the Club soon.

Warm regards,  
Felix Solomon, General Manager

## Art Show for September: Hans F. Gude The Official "Cal Licensed Artist in Residence"

The September Faculty Club art exhibit will feature poster reproductions of original artwork of the Berkeley campus by Hans F. Gude, Cal Licensed Artist in Residence. Gude is a professional fine artist and illustrator who was designated the official "artist in residence" for UC Berkeley in October 2017. This designation recognizes the high quality and unique vision of his campus artworks, while authorizing him to officially represent the campus and affix the UC Berkeley trademark to his images for sale in local book stores, including The Student Store. Included in the exhibit will be a reproduction of Gude's large, tour-de-force oil painting depicting the Cal Men's Rowing team in the final meters of a close race against its long-time rival, the University of Washington. The original 2017 painting, titled "Last 500 Meters in the Montlake Cut," is 3 feet by 4 feet and illustrates Cal edging out Washington in the Huskies' home waters. September will be Gude's third exhibit at the Faculty Club. He is a UC Berkeley alumnus (BA, Philosophy, 1978), who later worked on the Berkeley campus for 8 years.
