## Message from the Manager

I am very pleased to report that we have started the new year with two very successful member events. Both our Crab feed and the Election Panel were very well attended. After the lecture many of the members were able to enjoy a good early bird dinner as well. We have our Valentine dinner and dance coming up on February 14<sup>th</sup> so please mark your calendar and plan to attend this event. It is always good to see so many of our members at these events. If you have an event idea please feel free to drop me a note and I will work with the Events Committee to make sure we can make it work.

We will finally be starting some of the structural repair work during the end of February and early March. That is exciting news as well. Our long awaited new website will also be ready for your use this month so I hope you use it and enjoy many of the new exciting features as well.

I look forward to seeing you at the Club and please feel free to drop me a note if I can assist you in any way with any of the Club related business.

– Felix Solomon, Manager

## New Club Website Coming – Message from Club President

Faculty Club members should pay close attention in mid February when a wonderful new website for the Club will be launched. This new design is intended to facilitate your interactions with the club, particularly in making reservations for events and wine dinners, viewing the calendar, managing your account, and ultimately making general lunch and dinner reservations. We hope that this way of connecting with the Club will also encourage you to contribute to our Capital Campaign! We very much hope this improves our service to you and welcome feedback and suggestions as we make enhancements in the months to come.

– Nick Jewell, President

## **Donations to the Fund for Building Repair**

As our President indicated to the membership last fall year, the Board, with the cooperation of the University, is undertaking a massive campaign to raise the money needed to preserve our precious building. Significant donations have started to come in, but the major drive is beginning now. Any time you wish to make a donation, checks may be sent to the Club, care of the Manager. They should be made payable to UC Berkeley Foundation and designated to The Faculty Club Campaign (fund #H0201).
